

EXPERIENCE
(company group reference)
2018-2026

No.	Project/tender name	Note
1.	Services of an engineer-consultant on issues of forming investment intentions, in particular when determining the expected cost of a construction project in the case when the development of project documentation is entrusted to the contractor, on the project: "Reconstruction of the electrical substation PS 110/35/10 kV ФЧЗ located in the territory of Chernihiv region with the installation of level II engineering protection of the transformer T-2 (DK 021:2015-71530000-2 "Consulting services in the field of construction")"	Engineering
2.	Development of design and estimate documentation for the object: "Major repairs to restore a residential building at: 3/15 Novodarnytska St., Darnytskyi district of Kyiv damaged as a result of military actions caused by the armed aggression of the Russian Federation" (Code DK 021:2015:71320000-7 — Engineering design services)	Designing
3.	Preparation of project documentation for the object: "Construction of a ballistic route for testing artillery cartridges of calibers 23 and 30 mm in the Small Arms and Ammunition Ballistics Department of the Ammunition Quality Control Center"	Designing
4.	"Repair and restoration works of the building of Odessa Gymnasium No. 107 at the address: Odessa, Kira Muratova St., 30" (architectural and urban planning monument of local importance)" (old address Odessa, Lev Tolstoy St., 30)	Consulting
5.	DK 021:2015 – 45220000-5 Engineering and Construction (Works on the development of design and estimate documentation at the facility: "Overhaul of the track using used materials. XX. XXXXXXXXXXXX No. 11")	Designing
6.	Development of design and estimate documentation for the object: "Overhaul of the track using used materials in the city of Kryvyi Rih, Dnipropetrovsk region, track No. 8"	Designing
7.	Implementation of technical supervision over the construction of the object "Reconstruction of infrastructure structures and engineering networks with electrification of the 1435 mm track from Chop station to Uzhhorod station"	Technical supervision

8.	New construction of protective structures for civil defense - anti-radiation shelter (PRU) on the territory of Vyshneve Secondary School for grades I-III No. 1 of the Vyshneve City Council, Buchansky district, Kyiv region at the address: Vyshneve, Osvity St., 9	Consulting
9.	Implementation of technical supervision at the site: "Overhaul of the public highway of state importance M-09 Ternopil - Lviv - Rava-Ruska - arrangement of parking areas for freight vehicles at km 183+260 (right) and at km 189+500 (right), Lviv region" (DK 021:2015: 71520000-9 - Services for supervision of construction works)	Technical supervision
10.	Technical supervision of the execution of works at the facility "Reconstruction of a complex of houses, buildings and structures for the creation of a detention center in the village of Martusivka, Boryspil district, Kyiv region" (Stage I) (Correction) (under the code ЦІБ under DK 021:2015 – 71520000-9 Supervision services for the execution of construction works) in accordance with the "Guidelines for determining the cost of construction", approved by the order of the Ministry of Regional Development dated 01.11.2021 No. 281"	Technical supervision
11.	DK 021:2015 71530000-2 — Consulting services in the field of construction (Engineering and consulting services for the design and reconstruction of the facility "Reconstruction of facility No. 12")	Designing
12.	Reconstruction of a residential apartment building at the address: Kyiv region, Vyshhorod district, Novi Petrivtsi village, Novo-Kyivska street, 135	Consulting
13.	Technical supervision over the implementation of construction works to eliminate the consequences of hostilities and restore production activities of the State Enterprise "Production Association Southern Machine-Building Plant named after O.M. Makarov"	Technical supervision
14.	Engineering at the site "Reconstruction of existing and construction of new infrastructure facilities of the "Uzhgorod" checkpoint, stage II (passenger direction) and arrangement of road junction (connection) of the "Uzhgorod" checkpoint with the Slovak side (adjustment)" (DK 021:2015: 71530000-2 - Consulting services in the field of construction)	Engineering

15.	Development of design and estimate documentation for the object: Major renovation of the facade of a residential building at the address: Yaltynska St., 24/23, Darnytskyi district, Kyiv (implementation of projects (measures) to restore housing facilities damaged/destroyed as a result of armed aggression, energy saving measures) (Code DK 021:2015:71320000-7 — Engineering design services)	Designing
16.	New construction of a civil defense radiation shelter (CRS) on the territory of the Dunayevets Lyceum of the Novodunayevets Village Council	Consulting
17.	Development of design and estimate documentation for the object: Major renovation of the facade of a residential building at the address: 56 Kharkivske Shose St., Darnytskyi District, Kyiv (implementation of projects (measures) to restore housing facilities damaged/destroyed as a result of armed aggression, energy saving measures) (Code DK 021:2015:71320000-7 — Engineering design services)	Designing
18.	Development of design and estimate documentation for the object: Major repairs to the roof of a residential building at: 5 Revutskoho St., Darnytskyi District, Kyiv (implementation of projects (measures) to restore housing facilities damaged/destroyed as a result of armed aggression, energy saving measures) (Code DK 021:2015:71320000-7 — Engineering design services)	Designing
19.	DK 021:2015 71530000-2 — Consulting services in the field of construction (Engineering and consulting services in the design and reconstruction of the facility "Reconstruction of facility No. 6")	Engineering
20.	Reconstruction of the building and facilities of the Ukrainian Scientific and Practical Center for Endocrine Surgery, Transplantation of Endocrine Organs and Tissues of the Ministry of Health of Ukraine at the address: 01021, Kyiv, Klovsky Uzviz 13-A	Consulting
21.	DK 021:2015 71530000-2 — Consulting services in the field of construction (Engineering and consulting services for the design and reconstruction of the facility "Reconstruction of facility No. 7")	Designing
22.	DK 021:2015 71530000-2 — Consulting services in the field of construction (Engineering and consulting services in the design and reconstruction of the facility "Reconstruction of facility No. 3")	Designing
23.	DK 021:2015 71530000-2 — Consulting services in the field of construction (Engineering and consulting services in the design and reconstruction of the facility "Reconstruction of facility No. 9")	Designing
24.		Consulting

	New construction of protective structures for civil defense - anti-radiation shelter (PRU) on the territory of the Kryukivshchyna Lyceum "Leader" of the Vyshneve City Council, Buchansky district, Kyiv region at the address: Kryukivshchyna village, Michurina st., 12 A	
25.	Major repairs to the roof of a residential building at: 3/15 Novodarnytska St., Darnytskyi District, Kyiv (implementation of projects (measures) to restore housing facilities damaged/destroyed as a result of armed aggression, energy saving measures) DK 021:2015 - 45453000-7— Major repairs and restoration	Construction
26.	Major repairs to the roof of a residential building at: 2/17 Novodarnytska St., Darnytskyi District, Kyiv (implementation of projects (measures) to restore housing facilities damaged/destroyed as a result of armed aggression, energy saving measures) DK 021:2015 - 45453000-7 45453000-7 — Major repairs and restoration	Construction
27.	New construction of a well (main and backup) with a water treatment point of the Ukrainian Scientific and Practical Center for Endocrine Surgery, Transplantation of Endocrine Organs and Tissues of the Ministry of Health of Ukraine at the address: Klovisky Uzviz 13-A in the Pechersk district of Kyiv	Consulting
28.	Major repairs of entrance groups with the arrangement of ramps of a residential building at the address: 23 Akhmatova Anna St. (1,2), Darnytskyi district of Kyiv (arrangement of a barrier-free environment for low-mobility population groups) DK 021:2015 - 45453000-7— Major repairs and restoration	Construction
29.	Major repairs to the roof of a residential building at the address: 16 Paskhalina Yuriy St., Darnytskyi district, Kyiv (implementation of projects (measures) to restore housing facilities damaged/destroyed as a result of armed aggression, energy saving measures) DK 021:2015 - 45453000-7 45453000-7 — Major repairs and restoration	Construction
30.	Services for technical supervision of construction work at the site: "Overhaul of a residential building at 2-A Zaporizhzhia Street with restoration of load-bearing structures after ammunition hit in the city of Zaporizhzhia" (DK 021:2015: 71520000-9 - Services for supervision of construction work)	Designing
31.	New construction of a roof boiler room with an individual heat point of the building of the Ukrainian Scientific and Practical Center for Endocrine Surgery, Transplantation of Endocrine Organs and Tissues of the Ministry of Health of Ukraine at the address: Klovisky Uzviz 13-A in the Pechersk district of Kyiv	Consulting
32.	Development of project documentation for the object: "Overhaul and thermal modernization of the facade of building No. 11A of the State Non-Profit Enterprise "National Children's Specialized Hospital "Okhmatdyt" of the Ministry of Health of Ukraine" at the address: Kyiv, Chornovola St. 28/1" (DK 021:2015: 71320000-7 - Engineering design services)	Designing

33.	Engineering (DK 021:2015: 71530000-2 – Consulting services in the field of construction) Reconstruction of the international checkpoint for automobile traffic “Luzhanka”. Correction	Engineering
34.	Technical supervision services (DK 021:2015: 71520000-9 Supervision services for the execution of construction works) Reconstruction of the international checkpoint for automobile traffic “Luzhanka”. Adjustment	Technical supervision
35.	New construction of a gas boiler room and gas supply to the building of the Ukrainian Scientific and Practical Center for Endocrine Surgery, Transplantation of Endocrine Organs and Tissues of the Ministry of Health of Ukraine at the address: Klovisky Uzviz 13-A in the Pechersk district of Kyiv	Consulting
36.	Carrying out pre-design work on the object: "New construction of the administrative building of the Posad-Pokrovsky starostyn district of the Chornobaivka village council of the Kherson district of the Kherson region" (45210000-2 Construction of buildings)	Designing
37.	Works of a consulting engineer and technical supervision of the execution of works on the object "Reconstruction of a sewage treatment plant, including replacement of mechanical and electrical equipment and sewer pipes at the address: Zhytomyr, Promyslova Street, 1"	Engineering
38.	"New construction of intra-site networks on the territory of the "KIT" industrial park at the address: Kyiv region, Bucha city, Pam'yati st. (former Deputatska st.), 48"	Engineering
39.	Technical supervision of construction works at the site: "Reconstruction of the Palansky Lyceum of the Palansky Village Council of the Uman district of the Cherkasy region at 5 Hrushevsky Street, Palanka village, Uman district, Cherkasy region, damaged as a result of military actions caused by the armed aggression of the Russian Federation"	Technical supervision
40.	Reconstruction of a gas-oil boiler house at the address: Vinnytsia region, Haisyn district, Ladyzhyn city, Nezalezhnosti street, 131	Consulting

41.	Implementation of technical supervision at the facility "New construction of private residential buildings on Sportivna St., building 11, Yuzhna St., building 12, Priozerna St., building 2, building 7, building 34, Bobrovsky St., building 72, building 74, Khersonska St., building 3, building 55, building 57, building 67, building 83, Sadova St., building 25, building 49, Posad-Pokrovske village, Chornobaevsk village council, Kherson district, Kherson region (71520000-9 Supervision services for the implementation of construction work)"	Technical supervision
42.	Implementation of technical supervision at the facility "New construction of private residential buildings on Gusynska Street, Building 36, Building 55, Dedukha Street, Building 9, Building 16, Building 54, Building 56, Building 73, Apartment 1, Pokrovska Street, Building 23, Posad-Pokrovske village, Chornobaev village council, Kherson district, Kherson region (71520000-9 Construction work supervision services)"	Technical supervision
43.	"Overhaul of the catering unit in Polonsky Lyceum No. 4 at the address: Khmelnytskyi region, Shepetivskyi district, Polonne, Lesi Ukrainky street, 199"	Consulting
44.	Implementation of technical supervision at the facility "New construction of private residential buildings on Bobrovsky St., building 33, building 39, building 79, Sadova St., building 24, Dedukha St., building 72, Posad-Pokrovske village, Chornobaevsk village council, Kherson district, Kherson region (71520000-9 Services for supervision of construction work)"	Technical supervision
45.	Performance of works on the provision of engineering and consulting services during the construction of the facility: "Construction of a kindergarten for 140 places at 37-A Ostromyrska Street in the village of Gostomel, Kyiv region. (Correction)"	Engineering
46.	Performance of works on the provision of engineering and consulting services during the construction of the facility: "Construction of an administrative building at the address: 48 Kyivska Street, Byshiv village, Fastiv district, Kyiv region. Correction 2"	Engineering
47.	Major repairs of entrance groups with the arrangement of ramps of a residential building at the address: Kharkivske highway, 21/6, Darnytskyi district, Kyiv (arrangement of a barrier-free environment for low-mobility population groups) DK 021:2015 - 45453000-7— Major repairs and restoration	Construction

48.	Major renovation of the premises of the building "B" of the KNP "Vyshgorod Central Regional Hospital" of the VMR with the arrangement of a department for the provision of rehabilitation assistance at the address: 1 Kurguzova St., Vyshgorod, Kyiv region	Consulting
49.	Major repairs of entrance groups with the arrangement of ramps of a residential building at 5-A Urlivska St., Darnytskyi district, Kyiv (arrangement of a barrier-free environment for low-mobility population groups) DK 021:2015 - 45453000-7— Major repairs and restoration	Construction
50.	Construction of a linear telemechanics system for the gas pipelines "Dolyna-Uzhhorod-State Border-1", "Dolyna-Uzhhorod-State Border-2" at the "Uzhhorod-State Border" section	Consulting
51.	Major repairs of entrance groups with the arrangement of ramps of a residential building at the address: Verbytskoho Arkhitekтора St., 24, Darnytskyi district, Kyiv (arrangement of a barrier-free environment for low-mobility population groups) DK 021:2015 - 45453000-7— Major repairs and restoration	Construction
52.	Major repairs of entrance groups with the arrangement of ramps of a residential building at the address: Ihor Kachurovskoho Lane, 1, Darnytskyi District, Kyiv (arrangement of a barrier-free environment for low-mobility population groups) DK 021:2015 - 45453000-7— Major repairs and restoration	Construction
53.	Major repairs of entrance groups with the arrangement of ramps of a residential building at the address: Revutskoho St., 29-A, Darnytskyi district, Kyiv (arrangement of a barrier-free environment for low-mobility population groups) (according to DK 021:2015 code 45453000-7 - Major repairs and restoration)	Construction
54.	Reconstruction of an apartment building at the address: 25, Zahisnykyp Ukrainy St., Uman, Cherkasy region	Consulting

55.	Major repairs of entrance groups with the arrangement of ramps of a residential building at the address: 23 Akhmatova Anna St. (1,2), Darnytskyi district of Kyiv (arrangement of a barrier-free environment for low-mobility population groups) (according to DK 021:2015 code 45453000-7 - Major repairs and restoration)	Construction
56.	Implementation of technical supervision at the facility "New construction of the outpatient clinic of the village of Posad-Pokrovske of the Chornobayevsk village council of the Kherson district of the Kherson region (71520000-9 Services for supervision of construction work)"	Technical supervision
57.	Construction of part of the water supply network in the village of Ryzhavka, Uman district, Cherkasy region	Consulting
58.	Implementation of technical supervision at the facility "New construction of the Security Center of the village of Posad-Pokrovske of the Chornobayevsk village council of the Kherson district of the Kherson region" (71520000-9 Services for supervision of construction work)"	Technical supervision
59.	Performance of functions (maintenance) of the customer service and implementation of technical supervision (including the services of a consulting engineer) for the object "Restoration of individual structures + + + + + in order to eliminate the consequences of emergency situations (missile strike) without changing their geometric dimensions at the address Kyiv, + + + +. Correction"	Technical supervision
60.	Reconstruction of the building of the KNP "Cherkasy Regional Clinical Hospital of War Veterans of the Cherkasy Regional Council" at 1 Dakhnyvska Sich Street in Cherkasy	Consulting
61.	Development of design and estimate documentation for the object: Major repairs to the roof of a residential building at the address: Gennady Afanasyeva St., 17/6, Darnytskyi district, Kyiv (energy saving measures) (Code DK 021:2015:71320000-7 — Engineering design services)	Designing

62.	Implementation of technical supervision at the facility "New construction of private residential buildings on Zelenaya St., buildings 1, 5, 7, 12, 18, 28, 37, 39, 42, 57, Pokrovskaya St., buildings 1, 4, 10, 12, 19, 27, 30, 35, 42, 52, 56, 65, Sportivnaya St., buildings 1, 12, 17, 23, 24, 25, 26, 28, 31, 32, 33, 40, Stepova St., 6, Khersonskaya St., buildings 1, 5, 10, 11, 14, 19, 30, 34, 40, 45, 47, 49, 53, 63, 65, 87, 89, village of Posad-Pokrovske, Chornobayevsk village council, Kherson district, Kherson region" (71520000-9 Construction work supervision services)	Technical supervision
63.	"Overhaul of the facade of the building of building No. 4 of the MUNICIPAL NON-COMMERCIAL ENTERPRISE "UMAN CENTRAL CITY HOSPITAL" OF THE UMAN CITY COUNCIL at the address: Cherkasy region, Uman district, Uman territorial community, Uman city, Shevchenko street, 50 (energy saving measures)"	Consulting
64.	Implementation of technical supervision at the facility "New construction of private residential buildings on Gusynska Street, houses 2, 6, 9, 10, 11, 12, 13, 14, 18, 21, 26, 28, 34, 38, 45, 49, 52, 54, 58, 62, 65, 69, 70, 71, 73, 78, 83, 94, 110, 111, Molodizhna Street, 5, Poltava Street, houses 4, 8, 9, 14, 18, 20, 22, 24, 30, 32, 50, 51, 55, 62, 68, 72, 76, 77, Yuzhna Street, houses, 2, 3, 4, village Posad-Pokrovske, Chornobayevsk village council, Kherson district, Kherson region" (71520000-9 Construction work supervision services)	Technical supervision
65.	Implementation of technical supervision at the facility "New construction of private residential buildings on Priozernaya St., buildings 3, 4, 11, 13, 14, 17, 20, 21, 22, 24, 26, 29, 30, 36, 38, 40, 48, 49, 50, 52, 53, 58, 65, 66, 68, 70, 73, 75, 77, 78, 80, 93, Sadovaya St., buildings 7, 19, 29, building . 31, apt. 1, buildings 33, 35, 36, 37, 38, 45a, 47, 48, 52a, 53, 55, 57, 61, 65, 66, 66a, 72, village Posad-Pokrovske, Chornobayevsk rural territorial community, Kherson district, Kherson region" (71520000-9 Construction work supervision services)	Technical supervision
66.	Major renovation of the building of the Ivanovo branch of basic secondary and preschool education of the municipal institution "Arkhangelsk supporting institution of general secondary education"	Consulting
67.	"Reconstruction of the siphon pipeline of the water intake structure of the municipal enterprise "Zhytomyrvodokanal"	Designing
68.	Work on the development of a feasibility study (FEA) for the project: "Design of a biological iron removal plant in the city of Olevska, Zhytomyr region"	Designing

69.	Execution of design works on the object: "New construction. Khmelnytskyi NPP. Protective structures of the OKI building"	Designing
70.	Restoration of part of the building "Historical Museum with a Terrace and an Annex" (inventory number 01010003), belonging to the Kamianka State Historical and Cultural Reserve, at the address: 5 Ivan Mazepa St., Kamianka, Cherkasy region	Consulting
71.	Services for technical supervision of construction work at the site: "Overhaul of a residential building at 2-B Zaporizhzhia Street with restoration of load-bearing structures after ammunition hit in the city of Zaporizhzhia" (DK 021:2015:71520000-9 - Services for supervision of construction work)	Technical supervision
72.	Work on the development of a feasibility study (FEA) for the project: "Reconstruction of treatment facilities in the territories Radomyshl community for the purpose of high-quality treatment of domestic wastewater"	Designing
73.	Major repairs of the seven-story and three-story buildings and the passage between them of the Cherkasy Regional Hospital of the Cherkasy Regional Council at 3 Mendeleeva St. in Cherkasy	Consulting
74.	Development of design and estimate documentation for the object: "Overhaul of the facade of a residential building at the address: Zdolbunivska Street, 1, Darnytskyi district, Kyiv (energy saving measures)"	Designing
75.	Development of design and estimate documentation for the object: "Overhaul of the facade of a residential building at the address: Oleksandra Koshytsya St., 9, Darnytskyi district, Kyiv (energy saving measures)"	Designing
76.	DK 021:2015 71520000-9 Services for supervision of construction works (Services for technical supervision of major repairs of the hematology department)	Technical supervision
77.	Procurement of works for technical supervision of construction works at the site: Reconstruction with expansion of the existing secondary school No. 41 at 19 Makarenko Street in the village of Bryukhovychi (correction) (DK 021:2015:71247000-1 Supervision of construction works)	Technical supervision
78.	Major renovation of the building at: Cherkasy, Kobzarska St., 1 for temporary accommodation of internally displaced (evacuated) persons (with PKI)	Consulting

79.	Engineering including technical supervision services for the object: "Overhaul of the building of the Department of Social Protection of the Population of the Darnytsia District in the City of Kyiv State Administration at Kharkiv Highway, 176G" (energy saving measures). Adjustments for DK 021:2015 code 71530000-2 - Consulting services in the field of construction	Engineering
80.	Engineering for the project "Overhaul of the bridge at km 16+150 of the public highway of state importance M-20 Kharkiv - Shcherbakivka (to Belgorod), Kharkiv region" (DK 021:2015 - 71310000-4 - Consulting services in the fields of engineering and construction)	Engineering
81.	Carrying out survey work and developing design documentation at the "EP" stage "New construction "Administrative building Engineering and Technical Center of JSC "NAEK "ENERGOATOM"	Consulting
82.	Technical supervision of construction work at the site: "New construction of protective structures for civil defense - anti-radiation shelter (PRU) on the territory of the Kryukivshchyna Lyceum "Leader" of the Vyshneve City Council, Buchansky district, Kyiv region at the address: Kryukivshchyna village, Michurina st., 12 A"	Technical supervision
83.	Engineering for the project "Overhaul of the bridge at km 106+721 of the public highway of state importance R-79 /M-18/ - Sakhnovshchyna - Izyum - Kupyansk - checkpoint "Pisky", Kharkiv region" (DK 021:2015: 71310000-4 - Consulting services in the fields of engineering and construction)	Engineering
84.	Engineering for the project "Overhaul of the bridge at km 47+012 of the public highway of state importance T-21-10 Shevchenkove – Balakliya – Pervomaiskyi – Kehychivka, Kharkiv region" (DK 021:2015: 71310000-4 – Consulting services in the fields of engineering and construction)	Engineering
85.	Engineering for the project "Overhaul of the bridge at km 26+294 of the public highway of state importance T-21-04 Kharkiv - Vovchansk - checkpoint "Chugunivka", Kharkiv region" (DK 021:2015: 71310000-4 - Consulting services in the fields of engineering and construction)	Engineering

86.	Work on the development of design documentation for the object: "New construction of a protective structure for civil protection of an anti-radiation shelter (PRU) on the territory of Mukachevo comprehensive school of I-III grades No. 13 at the address: Zakarpattia region, Mukachevo city, Rosvyhivska st., 13"	Consulting
87.	Engineering for the project "Overhaul of the bridge at km 42+580 of the public highway of state importance T-21-10 Shevchenkove – Balakliya – Pervomayskyi – Kegychivka, Kharkiv region" (DK 021:2015: 71310000-4 – Consulting services in the fields of engineering and construction)	Engineering
88.	DK 021:2015 code 71520000-9 Services for supervision of construction works (Implementation of technical supervision of construction works at the facility "Construction of a complex underground structure to protect the main electrical equipment of the branch of "Dniprovska HPP" of PJSC "Ukrhydroenergo")	Technical supervision
89.	Engineering for the project "Overhaul of the bridge at km 3+980 of the public highway of state importance T-21-11 Chuguyiv - Pechenigy - Velykyi Burluk, Kharkiv region" (DK 021:2015: 71310000-4 - Consulting services in the fields of engineering and construction)	Engineering
90.	Work on the development of design documentation (Draft Project) for the object: "Overhaul of the complex of buildings and external engineering networks of the Municipal Non-profit Enterprise of the Kyiv Regional Council "Kyiv Regional Oncological Dispensary"	Consulting
91.	DK 021:2015 code 71520000-9 Services for supervision of construction works (Technical supervision of construction works for the branch "Cascades of Kyiv HPPs and PSPs" of PJSC "Ukrhydroenergo")	Technical supervision
92.	Technical supervision of construction works at the site: "Reconstruction of the Palansky Lyceum of the Palansky Village Council of the Uman district of the Cherkasy region at 5 Hrushevsky Street, Palanka village, Uman district, Cherkasy region, damaged as a result of military actions caused by the armed aggression of the Russian Federation"	Technical supervision
93.	Construction works Objects: "Reconstruction of part of the building of the main medical building (inv. No. 101310218) of the Main Military Medical Clinical Center with an elevator extension at the address: Kyiv, Yagidna St., 58"	Consulting
94.	Engineering including technical supervision services for the project "Overhaul of	Engineering

	the building of the Department of Social Protection of the Population of the Darnytsia District in the City of Kyiv State Administration at Kharkiv Highway, 176G" (energy saving measures)" Completion of works. for DK 021:2015 code 71530000-2 - Consulting services in the field of construction	
95.	Services for technical supervision of construction work on the project "Overhaul of a residential building at 2-A Zaporizhzhia Street with restoration of load-bearing structures after ammunition hit in the city of Zaporizhzhia" (71520000-9 - Services for supervision of construction work)	Technical supervision
96.	Services for technical supervision of construction work on the object "Overhaul of a residential building at 80 Nezaleznoi Ukrainy St./3 Yakov Novitsky St. with restoration of load-bearing structures after ammunition hit in the city of Zaporizhzhia" (71520000-9 - Services for supervision of construction work)	Technical supervision
97.	Reconstruction of military unit 3018 of the National Guard of Ukraine	Consulting
98.	Technical supervision of the execution of works at the site: "Reconstruction of the bridge over the Teresva River at km 105+014 of the public highway of state importance N-09 Mukachevo - Rakhiv - Bogorodchany - Ivano-Frankivsk - Rohatyn - Bibrka - Lviv, Zakarpattia region"	Technical supervision
99.	Works on technical supervision of the object "Overhaul of the bridge over the Balakliya River on the road O-210103 Balakliya-Yakovenkove, km 3+155"	Technical supervision
100.
